

The special Holiday Concert and Party will be held at **12.00 noon Thursday, December 15 at the PPL Learning Center.**

The regular meeting would have been the 21st of December which is too near to the holidays so the date has been adjusted.

We will try to have the High School Choral Group come as they have in past years. Those details are not final at the time of this printing.

The time will be 12:00 noon. All members are asked to contribute to the Holiday Table.

To our members:

2011 has been a busy, eventful year for the Society. It has been my privilege to serve as your president for the last three years. It is time for new leadership. The Board of Directors is your most important asset, and each Board member is to be commended for his or her willingness to serve on multiple committees and to be ever ready to donate their time. It has been my honor to serve with these dedicated people.
